■ experience

PARSONS SCHOOL OF
DESIGN – THE NEW
SCHOOL – NEW YORK, NY

(Design Production Assistant)

Aug 2025 – Present

- Provide technical and creative production support to students working across graphic design, communication design, print, and visual arts projects.
- Assist with Adobe Creative Suite workflows, including file setup, layout preparation, image formatting, and troubleshooting for print production.
- Operate and support equipment including Risograph printers, inkjet plotters, vinyl cutters, laser printers, binding tools, and Roland VersaUV printing.
- Help students translate digital designs into finished physical outputs through guidance on materials, color, scale, file preparation, and finishing methods.
- Develop strong communication, problem-solving, and production skills while supporting diverse creative projects in a high-volume design lab.

MEMOI (INFINITY CLASSICS) -
NEW JERSEY, NJ

(Freelance Brand & Apparel Designer)

Jan 2026 - Present

- Design children's camp apparel and related visual materials, developing playful graphics, layouts, and production-ready assets for youth-focused programs.
- Create design concepts that balance color, clarity, and age-appropriate visual language while adapting creative direction across wearable formats.
